

STEM Fall 2026: Week 4				
Complete before the class on Mon, Oct 5th				
STEM Assembly				
- Supplies: Pencil, folder with paper, scientific calculator				2 points
- Books: LifePac Science, CAP Robotics, Mathematics Book				
Bring to class one line or chorus from your favorite worship song and be prepared to share it in class. Bonus +1 if you sing it in class!				3 points
General Sciences				
	Topic	Reading	Exercises	Grading
LifePac 7th Grade Unit 6	Elements of Weather	pg. 5-7	1.1-1.11	10 points
			1.13, 1.15	
		pg. 10-11	1.19-1.28, 1.29	
		pg. 12-13	1.33-1.42	
		pg. 14-16	1.46-1.60	
		pg. 18-19	1.68-1.72, 1.86	
Robotics				
	Topic	Reading	Exercises	
Introduction to Robotics Booklet	Remote Robotic Vehicles	Write a paragraph explaining what is a "Closed Loop System" in a "Servo Motor". At the end of your paragraph provide a citation for your source(s).		5 points
		Watch the video on "Fully Synchronized Industrial Robotic Systems". Attempt to make a rough count of how many robotic arms are shown in this video.		3 points
		Watch the video "Why Controlling a Mars Rover Is So Hard" and be prepared to discuss in class.		2 points
		Purchase the miniArm Robotic Arm with the Starter Kit (\$89). Begin assembling using the <u>online</u> assembly instructions. We will begin using the robotic arm in class on Oct 12.		
Science Fair				
Create a "Research" display with your explanation of Archimedes' Principle (include a citation at the bottom) and attach it to the middle-left of your tri-fold poster board.				5 points
Explain Buoyancy to your Parents: Fill a small, plastic jar (playdoh jar, vitamin jar, etc.) full of small rocks and place it into a measuring cup filled with water so that it sinks and measure the volume of displaced water (ml). Slowly remove rocks until the jar just barely floats in the water at which point the weight of the rocks+jar in grams (g) should exactly equal the volume of displaced water (ml). Confirm with a food scale.				5 points
Mathematics				
If 5 more than x is 7 less than 21, what is the value of x? Show your work on paper.				5 points
