Assignment 9 World History & Literature

- **Read:**
  - 1 Kings 1-3, 6 & 8
- **<u>As you read:</u>**
  - 1 Kings chapter 1 notice the first major conflict. Adonijah is David's oldest living son. What does he desire for himself? In verses 11-14 Bathsheba and her son tell this news to David and they recall the promise of God that David spoke to them previously. What are those words? In verses 28-37 what does David do to solve the conflict? In the end what is Adonijah's response?
  - 1 Kings chapter 2 Bathsheba wants her son who is now King Solomon to show mercy to Adonijah. What does Solomon do instead (see verses 23-25)? Why would Solomon get rid of all of the enemies of David as it is shown through the rest of the chapter? The answer can be seen in verse 45.
  - 1 Kings chapter 3 what is the one thing that David asks for? What does God give him in response to that request? What is the sign of Solomon's wisdom as shown in verses 16-28?
  - 1 Kings chapter 6 pay special attention to verses 11-14 where God makes a promise to Solomon and the people of Israel concerning the building of the Temple.
  - 1 Kings chapter 8 what happens after the Ark is brought into the temple (see verses 10-11)? In whose heart was it to originally build a house? How did God keep his promise (see verse 20)? Notice in Solomon's prayer and opening service all of the reasons that a person would turn towards the Temple for God's mercy? What strikes you about this?
